

An Appeal to the Alumni
Krishnagar Govt. College, Nadia

Krishnagar Government College has been nourishing the mind of vast number of students since its establishment. Being nourished by the college, alumni of the college have been serving Government and Non-Government organisations of India and abroad in various capacities. Some of them gained even prominence in the fields of Arts, Science, Literature, Education, Technology, Judiciary, Medical Science, Politics, Trade & Commerce. All of them are rendering great service to the nation. But they are not so conscious about the cause of their AlmaMater. The selfseeking outsiders are taking full advantage of their indifference and fulfilling the self interests by grabbing the internal and external wealth of the AlmaMater. A few not so worthy alumni who reside locally are staring at how the selfseekers robbing the AlmaMater of her wealth and plunging her into the ocean of time and shedding their tears in despair. It seems to them none but Providence can save her from disgrace and death in these hours of lawlessness.

In this hours of despair and darkness, at last a ray of hope has emerged in the form of an association recently formed by some aggrieved alumni in order to mitigate the disgrace and destruction thrust upon her gradually by selfseeking outsiders. The noble purpose of the newly formed association would not be fulfilled without the timely response and support of the worthy and prominent alumni of the college. Hope, all of her old and new brilliant boys would come forward to her support at the moment of her distress to rescue her from her disgrace and degradation.
